FOUNDATION/EXTENDED PROGRAMME

The Social Sciences and Humanities Foundation/extended Programme is an entrance programme intended to provide a strong academic foundation to students who do not meet Faculty of Social Sciences and Humanities minimum entrance requirements because they do not have sufficient Swedish rating points.

The extended programme follows the same structure as the mainstream programme, but its curriculum is extended over a longer period and there is additional academic support. Extended Programme students must take one more year to complete their degree than mainstream students. These students must register for Academic Practices and Reasoning (APR) which is a value-addition course in their first year of registration. This course assists students in developing their academic skills towards their qualification.

Please note: Students who want to register for the B Sc Agric (Agric Economics Options) are not required to have a pass in Physical Science. However it is compulsory to have passed Life Sciences at level 4.

- For B Com and B Admin degrees, Life orientation (LO) will be capped at level 3 for calculating APS
- For B Com Accounting degree, Life orientation is not taken under consideration
- Students will be ranked according to the level of achievement and assigned to available space within the degree.
- It should be noted that there's no extended curriculum programme for B Admin degrees as the minimum admissions to main stream is bachelors admission only and capped at minimum level.

FACULTY OF MANAGEMENT & COMMERCE SELECTION PROCESS:

- Selection Committee convenes at Student Administration to process application forms already sorted by Faculty and by Qualification.
- Applicants have to meet the minimum admission requirement as laid down in the Faculty Admission Policy as well as the subject/programme pre-requisites as published in the prospectus and selection is based on Merit
- Priority is given to students who applied on time and met the Faculty entry requirements as published in the Admissions Policy, also giving access to rural poor, and gender equity.
- Due to influx of Mature Age and N6 applicants selection in these categories is on a first come first serve basis.
- Transferring students have to meet the Faculty entry requirements as well as the subject/programme pre-requisites as published in the prospectus first; apply for credits using Credit Application Form signed by respective Departments before a decision is reached.

If all Options of the applicant are from within the Faculty, the decision is finalised in the same sitting but if other choices are from other Faculties, referrals are made to such Faculties as well, if applicant was unsuccessful.
