QUESTION 4: MACROECONOMICS AND ECONOMIC PURSUITS
40 MARKS – 30 MINUTES

4.1 Answer the following questions.

4.1.1 List TWO methods of determining GDP. (2)

4.1.2 Explain how consumption stimulates employment. (2)

4.2 Study the extract below and answer the questions that follow.

Cuba's new constitution won't fix its economy

"The reforms are an important symbolic step," said American university scholar of Cuba, William LeoGrande. "Legalisation of private property puts the private sector on a firm legal foundation, which it hasn't had. By doing away with the old commitment to build a communist society, the new constitution underscores the recognition that a mixed economy is the future."

[Source: <https://www.bloomberg.com>]

4.2.1 What type of economic system is referred to in the above extract? (1)

4.2.2 Who allocates the resources in the above extract? (1)

4.2.3 Briefly describe the term *economic system*. (2)
